

# PLEDGE/SPONSORSHIP FORM

The expedition is going to drive from the United Kingdom to New Zealand, covering 65,000 km across 26 countries, setting off on the 2<sup>nd</sup> August 2005 and arriving in New Zealand 18 months later!

The Team hope to raise over £25,000 for CARE International, who work in 70 countries and touches the lives of over 45 million of the world's poorest people.

*The expedition is completely self funded so all money raised goes directly to CARE, who are proud to say that 93p in every £1 donated goes directly to fund their work in the field.*

Please pledge/donate/sponsor as much as you can, using 'GiftAid' if you are a UK taxpayer.
